PRESIDENT'S MESSAGE

Welcome all to our new season 2023-24.

After recovering from Covid and going into the new norm, we were then hit by Cyclone Gabrielle in February 2023 which had a devastating effect on NZ, leaving destruction in its path.

Glen Eden Bowling Club was one of the clubs that got hit hard, however, we were able to persevere without too much damage. Through all this, we were still able to reach out and offer support to our community, who in turn, built a partnership with us and reciprocated by supporting our club.

As we step into our new season 2023-24, we are looking forward to our new Field Turf Carpet that has been delayed through unforeseen circumstances, as this also brings another new and exciting chapter for our club.

We welcome our new committee members into their new roles with exciting projects for the club's future. Please reach out to them for any queries you might have as we are all there to support our members and our club as a whole.

Our social events are now taking place within the club and attracting more outside visitors, as well as new social members.

Also, our Mates & Bowls will be starting again soon which attracts our community to be involved in Bowls and the club, making G.E.B.C more visible within our community.

It's exciting to see an increase in our membership this year that has attracted new 1–5-year juniors, with 12 new players coming aboard.

We also look forward to coaching our school students and building partnerships with other local High Schools to participate in the sport.

What a great start to our new season!

I look forward to seeing you all out on our Greens/Mat this season and seeing your comradery, sportsmanship, competitiveness and participation.

And most of all your lovely smiles!

Teresa Cassidy

GENERAL NOTES

Club Captain

The Club Captain is the liaison between members and the Executive, authorised to settle minor complaints and, in particular, to look after the interests of junior and new members, assisting them to obtain places in teams and to participate in the club's social activities. The Club Captain is charged with responsibility of maintaining an acceptable standard of conduct, etiquette and dress in the Club and on the greens. Members are asked to treat the Club Captain as a friend, to be sought out if in need of help or information.

Complaints

All complaints concerning staff, green, domestic or other arrangements of the Club or in respect of any Member shall be made in writing on the official club complaint form, signed by the Member complaining and addressed to the Executive. The executive will acknowledge the complaint, enquire into the same at the earliest convenient opportunity, and reply to the complainant in writing. In no instance shall a servant of the Club be reprimanded or criticized by a Member. Complaint forms are available from the Club Secretary (secretary@glenedenbowlingclub.org.nz)

Dumping

It is every member's responsibility to deliver bowls smoothly. With the availability of coaching there is no excuse for dumping. If players cause damage to the green, they may be required to seek coaching.

SPORTSMANSHIP

Costs nothing and adds to the enjoyment of the game, it is courteous

- In a singles match when you have lost the previous end to hand your opponent the mat and the jack.
- To stand still and behind the player, and observe silence, when the player's bowl is being delivered
- When the match is completed to thank the marker and congratulate the opponent.
- When playing at home and as hosts to make the visiting players welcome.
- When your team loses to congratulate your opponents.
- Never to use strong language during play or display signs of ill temper.
- To commend a good shot played by your opponent.
- When changing ends to keep within the confines of your rink.
- For leads and seconds to retire to the bank after delivering their bowls.
- That all players on or behind the head refrain from any movement that will distract the player at the other end when the bowl is being delivered.
- Not to criticise the effort of a fellow team member, who is trying just as hard as you.
- Not to blame the condition of a green for your team's defeat and in particular in front of another member of that club.
